[REDACTED] how are you? I just wanted to touch base with you and ask if you are able to go out a few more times in support of our Waterway case? I know it is asking a lot and if you can't I understand. I just wanted to ask you so I know whether or not I need to find another way. Enjoy the eclipse! If you can I'd like to plan another op in the next one or two weeks (depending of course on the weather). Let me know, either way I appreciate all your help!!! [REDACTED]
